For further information please contact Jemma Baptiste at 905-666-6486

THE EAGLE - Monthly Newsletter

With a mandate of engaging and empowering Black male students from across the Durham Region, we are proud to present **The Cypher: Black Male Empowerment Conference**.

Scheduled for **Thursday May 25, 2023 at Durham College**, this conference will provide Black male students, currently attending Grade 7-10, with an opportunity to network with a wide-range of entrepreneurs, community leaders, organizations, Durham College and Ontario Tech programs, and DDSB educators and alumni. Our focus is to engage and empower Black male students from across the Durham Region and provide them with access to a wide range of leadership and engagement opportunities. We believe it is imperative to remain mindful of the importance of the need for more Black male role models, and emphasize the goals of promoting positive transitions through various academic pathways. The opportunities for sharing will enhance students' understanding of navigating through the various grades.

This year, The Cypher conference will host the Grammy winning, Jamaican-Canadian Record Producer and song-writer, Boi-1da as the keynote speaker. Students will then engage in networking opportunities with community agencies, followed by workshops facilitated by Black male professionals in the industry. Students will be exposed to a multitude of pathways beyond highschool and postsecondary education. The day will also allow teachers to engage in a panel discussion facilitated by Black male role models in DDSB to explore the value of identity.

Please access www.cypherconference.ca to guide you through the registration process. Each school can only invite a total **5 Black male students (Grade 7-10)** interested in the networking opportunity. This will be a first come first serve basis since we have **limited space** to facilitate all schools. Individual school's will be responsible for arranging transportation and release coverage.

We look forward to your school's participation.

Sincerely,
The Cypher Committee

THE EAGLE - Monthly Newsletter

One of our students competed in the **Skills—Hairstyling Competition** on Tuesday, May 2nd/3rd.

The TXJ4E students and Eastdale CVI recognize her hard work and success!

We Are So Proud!

GOOD LUCKY!

TO DO OUR BEST!
THAT INCLUDES BEING RESPECTFUL
OF OTHERS PERSONAL SPACE AND
PROPERTY, WITHIN THE SCHOOL AND
IN THE NEIGHBOURHOOD.**

PEER TUTORS

Struggling with a course and looking for help? Peer tutors can help! Peer tutoring is now available in most subject areas. This is a free service provided by our peer tutoring team who are made up of grade 11 and 12 students who are strong in math, science, English and other subjects. Peer tutoring occurs once or twice a week in person at lunch or after school, or after school virtually. To request a peer tutor, parents and students need to complete this google form:

<https://forms.gle/vbpHSqZ1gU7SGBkD9>

Students and their parent(s)/guardian(s) need to complete this form together. Please read carefully. Parents/guardians: Please complete this form to provide consent and accept responsibility for your student to participate in 1:1 peer tutoring (in person and/or virtual format). If you have questions about the tutoring program please contact:

Ms. Coronado at lillian.coronado@ddsb.ca
