Are you a girl in grade nine or ten who likes **mathematics**?

University of Toronto Scarborough, Department of Mathematics and Computer Science outreach offers a one-day conference for **100 grade nine & ten girls**.

The conference includes interactive hands-on sessions, lunch, introduction and keynote speaker, and more.

**Math in Motion ... Girls in Gear!**  
Saturday, November 19, 2022  
9:00 a.m. – 4:00 p.m.  
University of Toronto Scarborough

**Register online at**  
[www.mimgig.com](http://www.mimgig.com)

Registration deadline is **Thursday, October 13, 2022**.  
Ask your Math or Science teacher for permission to use their NAME and EMAIL ADDRESS for a recommendation.

There is no cost to attend the conference.  
However, transportation to and from the event is the responsibility of the student.

**Questions?**  
[inquiries@mimgig.com](mailto:inquiries@mimgig.com)

## PEER TUTORING IS NOW AVAILABLE

Struggling with a course and looking for help? Peer tutors can help! Peer tutoring is now available in most subject areas. This is a free service provided by our peer tutoring team who are made up of grade 11 and 12 students who are strong in math, science, English and other subjects. Peer tutoring can occur in person at lunch or after school, or after school virtually. To request a peer tutor, parents and students need to complete this google form.

<https://forms.gle/7TyzHuFmTTsBSbxE6>.

**Has your teen had their booster?**

A tetanus booster (with diphtheria and pertussis) is due 10 years after the last dose. Teens often need this booster between ages 14 and 16. Ask your health care provider when their next dose is due.

\*Parents/guardians must contact the Health Department if they object to immunization based on conscience or religious beliefs, or if their child cannot be immunized for medical reasons.
